

Multifunction B&W Ricoh MP 402SPF

RICOH MFPs and
accessories, bundled
for your convenience

Ricoh's new **Signature Series** offers you a faster, easier way to find the solution that best fits your business needs. Signature Series combines our most popular, award-winning MFPs and innovative accessories in one convenient bundle – designed to fit your budget while helping increase efficiency and productivity in your workplace.

Premium Features

- The award winning 10.1" wide Ricoh Smart Operation panel that offers touch screen functionality right on your MFP. Drag and drop, pinch and flick and swipe to scroll quickly and easily from one task to the next.
- Energy Star® compliant & EPEAT® Silver
- Includes @Remote device monitoring and management system, an internet-based tool allowing you to monitor your device usage, automate meter reads and toner alerts, and quickly alert your service provider of problems to shorten downtime and improve service

Simplify your digital workflows your way with our wide range of specially designed multifunction printers (MFPs). Share information across your organization with more people, in more ways, in less time and with greater security. Transform hardcopy documents into digital files that you can effortlessly access and distribute. Print, copy, scan or fax your important business information from an easy-to-use, all-in-one device without compromising speed, quality or convenience.
